**LEA Plan for Use Of Funds**

1. The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning; ([count] of 2000 maximum characters used)

The Hunterdon County ESC will comply with the most recent CDC recommendations on opening the school safely. As indicated in the Safe Return section proper handwashing, physical distancing, cleaning, and contract tracing will be implemented throughout the Commission in collaboration with the districts we serve.

2. How the LEA will use the funds it reserves under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year; ([count] of 2000 maximum characters used)

Not applicable

3. How the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) of the ARP Act; and ([count] of 2000 maximum characters used)

Professional Development program needed to assist our district's teachers, students and administration in addressing social, emotional and learning loss that occurred to do the impact of Coronavirus Disease 2019 (COVID 19)

4. How the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) of the ARP Act to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students. Under this requirement, an LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including

special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions.

The Hunterdon County ESC shared a survey with Stakeholders regarding professional development opportunities including Professional Practices, Instructional Design/Pedagogy, Behavioral Intervention/Classroom Management, Social-Emotional Learning, Cultural Competency, Instructional Technology, Assessment/Data-driven Instruction to determine a plan for professional development. Professional Development opportunities will assist stakeholders in implementing academic, social, emotional and other additional supports for students in need.

5. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.
