HCESC acts as the lead agent for a cooperative comprised of hundreds of school districts, municipalities, counties, and other municipal government agencies within the State of NJ. Co-operative pricing is a purchasing system whereby the lead agency (HCESC) prepares and advertises for bids, awards a master contract to the lowest responsible bidder, provides for its own needs and extends the prices to our registered members. There is no fee to join, & membership is continually growing.

PURCHASE THESE CO-OP BUSES IN 5 EASY STEPS!
