

## National Retail Federation

*Professional Certification in Customer Service and Sales*

*Advanced Professional Certification in Customer Service and Sales*

The **nationally recognized** Professional Certifications in Customer Service and Sales are industry-driven and endorsed credentials that help employers distinguish and recognize qualified customer service and sales professionals, and help define career advancement opportunities for candidates. By earning these professional certifications, candidates can demonstrate their knowledge and skills in work areas that employers value, and exhibit commitment to professional growth. **You will earn both certifications!** (<https://nrf.com/>)
